Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

A signed and initialed copy of Applicants' IDS of April 16, 2004 is submitted herewith. Applicants have requested the examiner to initial a substitute IDS for the IDS previously submitted on June 26, 2003, which corrects a spelling error in an author's name and the first page a cited article begins on. To avoid a redundant listing of references in the patent, the examiner has instead hand corrected the original IDS of June 26, 2003 and submits an initialed copy herewith.
